## Account Management

You are almost done with the mail configuration process. The identity, incoming mail server and outgoing mail transport method which you provided will be grouped together to make an Evolution mail account. Please enter a name for this account in the space below. This name will be used for display purposes only.

### Account Information

Type the name by which you would like to refer to this account.  
For example: "Work" or "Personal"

Name:

Make this my default account

## Timezone

Use the left mouse button to zoom in on an area of the map and select a time zone. Use the right mouse button to zoom out.

### Time Zones

Selection:

# Done

You have successfully entered all of the information needed to set up Evolution.

Click the "Apply" button to save your settings.
